

NEED FAST RELIEF?

Acetaminophen is now available in consumer-preferred, liquid-filled softgels.

New Acetaminophen Softgels, an exclusive premium product, from PL Developments is now available for your private brand. The ongoing success of best-selling Extra Strength Tylenol® products has led to this pioneering dosage format.

Acetaminophen softgels (*Compare to Extra Strength Tylenol) are liquid-filled and easy-to-swallow, which consumers prefer for fast action. Only PL Developments offers you easy-to-swallow, liquid-filled softgels — the delivery system for rapid relief!

Don't play with pain; fight back with our fast-acting acetaminophen liquid-filled softgels.
