

PUT OUR QUALITY AND SERVICE BEHIND YOUR BRAND.

PL Developments is a leader of private label manufacturing in the over-the-counter pharmaceutical industry. The company provides retailers and mass merchandisers with a wide array of quality products in the most cost-effective manner.

PL Developments was incorporated in 1988 by Mort Rezak and Mitchell Singer. The innovative company was committed to unsurpassed quality and exceptional service in the OTC private label industry. PL Developments continues to exceed its own commitment to quality, and service continues to be the cornerstone of the company's philosophy.

PL Development's commitment to excellence has grown to meet the global marketplace. The company partners with both domestic and international companies to provide retailers and mass merchandisers with the highest level of personal and professional services and products. The company continues to offer advantageous business partnerships, and endows customers with packaging and distribution capabilities that include a network of strategic alliances worldwide.

PL Development's FDA and DEA registered complex offers state-of-the-art climate control and segregated positive pressure filling suites in a clean, secure facility. All production and material handling is performed under strict cGMP regulations. PL Developments maintains the highest standards, surpassing both quality regulations and customer expectations.
